1. Follow the link: <http://www.affiliatly.com/af-10671/affiliate.panel>
2. Click link “or register”

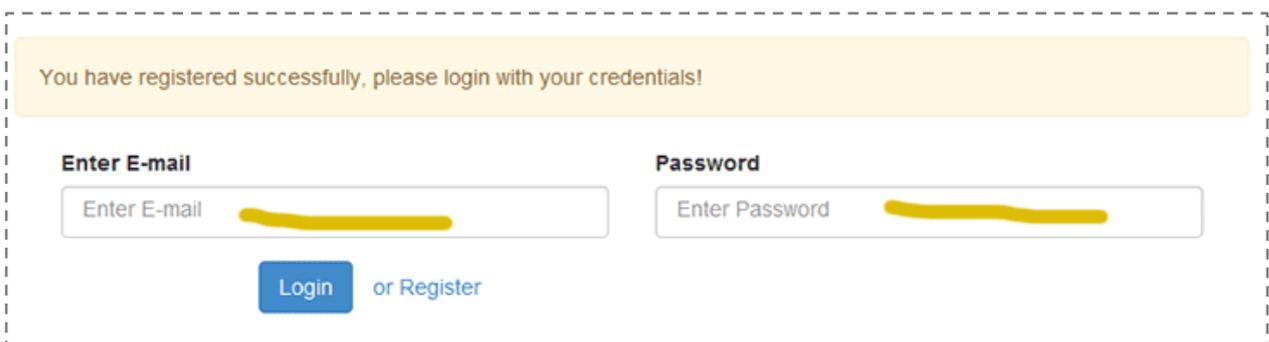

A screenshot of a login/register form enclosed in a dashed border. It features two input fields: "Enter E-mail" and "Enter Password". Below these fields are two buttons: a blue "Login" button and a white "or Register" button with a yellow underline.

3. Fill in the register form (you will also get the registration letter to your e-mail)

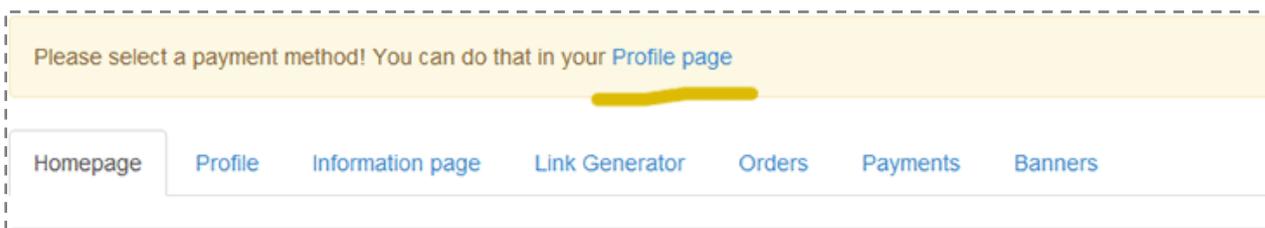

A screenshot of the "Register as affiliate" form enclosed in a dashed border. The title "Register as affiliate" is centered at the top. Below it are several input fields: "E-mail", "Name", "Password", "Repeat Password", and "Enter security code". The security code field shows the code "646a3b8" and a "Security code" input box. At the bottom are two buttons: a blue "Register" button and a white "Back" button. All input fields contain yellow redaction marks.

4. After the successful registration you will see the login form as it was before – login using your email and the password.

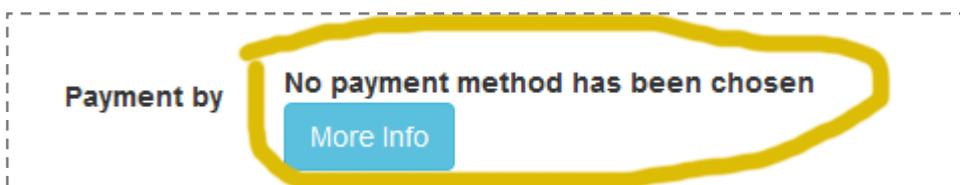

A screenshot of the login form after successful registration, enclosed in a dashed border. A yellow banner at the top reads "You have registered successfully, please login with your credentials!". Below the banner are the "Enter E-mail" and "Enter Password" input fields. At the bottom are the "Login" and "or Register" buttons. The input fields contain yellow redaction marks.

5. You log into your account and see the main panel of your affiliate program. Please, manage your payment data –click the link “Profile page”.

6. Click the button More Info to add your payment data which has 2 options (PayPal and Bank Transfer). Please add your info to the forms.

7. The main work starts NOW!!!

8. On Banners page you will be able to find banners and other graphical materials to place to your website/blog of post in social network etc.

- Receive (email.) our recommendations how to promote Antrax products in Internet (blogs, forums, social networks etc.).

The screenshot shows a Facebook page for 'Antrax GSM Termination'. The page header includes the profile picture (a cartoon character with a microphone), the name 'Antrax GSM Termination', and the category 'Telecommunication'. Navigation buttons for 'Contact Us', 'Like', and 'Message' are visible. The main content area features a post with the text: 'Hi Guys! Looking for new Business Ideas? Discover Voip /GSM termination business! Antrax Company offers full solution for starting this business. Support, hardware and Voice over Ip traffic. Find more by following this link: <http://en.antrax.mobi/?aff=1>'. Below the text is a video thumbnail titled 'VoIP GSM Termination: SIP GSM Gateway/SIM box - ANTRAX' with a description: 'Premium solution for voice traffic termination in GSM networks. We don't just sell hardware, we offer a business opportunity. GSM gateway ANTRAX made in EU'. The left sidebar shows '6,229 people like this', an 'Invite friends' button, and an 'ABOUT' section with the website URL 'http://www.antrax.mobi/'.

- Current balance will be available on Homepage and Orders pages of account.

The screenshot displays an account dashboard with a navigation menu at the top: 'Homepage', 'Profile', 'Information page', 'Link Generator', 'Orders', 'Payments', and 'Banners'. The main section is titled 'Your earnings info' and shows two metrics: '\$ [redacted] unpaid earnings' and '\$ [redacted] total earnings'. Below this, there is a section for 'See summary data for specific period' with input fields for 'from: 10.07.2015' and 'to: 16.07.2015', and a 'Show' button. At the bottom, a table provides a summary of data for the selected period.

Date	Visitors	Purchases	Your Earnings	Conversion
16.07.2015	7	2	\$1.00	29%

Partner is guaranteed to receive **\$0.5** for each attracted potential buyer (**visitor who completed form on our site that include phone or/and Skype**). Please note that all applications are processed by the manager. Our Company have a right not to pay for spam interactions on the site. In case of frequent spam form filling account will be canceled.

The modular architecture allows ANTRAX users to place SIM cards apart from GSM gateways and connect them via IP. This feature provides a huge advantage in terms of safety and removes limitations which could be applied to the topology of your **call termination system**.

It is important to mention that the module-based structure of our product is **a part of anti-anti-fraud system**, which allows you to reduce the load on every single base station, placing GSM gateways in different locations, without compromising the overall capacity of your **GSM termination system**.

Each partner can monitor the current balance in a personal account (image above). We use a third party independent service to track visits, form fillings on your affiliate links, so we cannot customize it. In this regard, the **Purchases** field shows the number of completed web site forms.

Date	Visitors	Purchases = \$0.5	Your Earnings	Conversion
16.07.2015	7	2	\$1.00	29%

Your Earnings field - your guaranteed income.

Date	Visitors	Purchases	Your Earnings	Conversion
16.07.2015	7	2	\$1.00	29%

Also Partner receives a **5% commission** of the amount paid for each referral that **made a purchase**. This commission is transferred to the partner within a week after purchase (average purchase amount is **\$10 000**). Commission (earnings) for purchases are not displayed in your account because sales typically occur by our sales managers over the phone.

11. Receive your payment one time a month if balance exceeds **\$100** and payment data is specified (Paypal, or bank details). Funds transfers net of the standard commission payment system or bank.

Please be aware that we are not shavers and we'll pay properly. We are interested in long term partnership with you. Partners that will lead a large number of customers could become our official regional representatives.
